Dear Resident:

The Town of Tiverton has hired Patriot Disposal of Johnston, Rhode Island as its new contractor for trash, recyclables, metal items, and yard waste collections. Patriot's first day of work in Tiverton will be Tuesday, July 2, 2007. Please be patient, as some minor confusion with routes may occur during the first few weeks of the new contract. If you should encounter any problems, please call the Department of Public Works at 401-625-6760. Patriot also has a toll free number that you may call if necessary 1-800-762-0244.

Residents should still contact the Department of Public Works directly to make an appointment for the monthly metal collection that is held the third Friday of each month. This collection is for three metal items per household only.

The dates for the four Saturday yard waste collections in Fall 2007 and Spring 2008 will be announced in early Fall 2007.

Trash and recyclables collections will always be delayed one day after a legal holiday, i. e. if a holiday falls on a Monday trash for that week will be collected from Tuesday through Saturday. Legal holidays for the Town are as follows: Independence Day, Victory Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Years Day, Martin Luther King Day, President's Day and Memorial Day.

If you have further questions, please feel free to contact Tiverton DPW at the above listed number.
